Architect

Email: tanaprnnn@gmail.com. Phone: 0992623598

SUMMARY

Architect with over three years of experience delivering restaurant, café, and residential projects. Experienced in design development, construction documentation, consultant coordination, and site supervision from concept design through construction.

LICENSE

Associate Architect License

EDUCATION

Bachelor of Architecture
Kasetsart University

2017 - 2022

EXPERIENCE

Architect

UNKNOWN SURFACE STUDIO

08/2022 - 02/2026

- Developed architectural drawings from concept design through construction documentation.
- Prepared design development, submission, and construction drawing packages.
- Coordinated with clients, consultants, and contractors throughout the design and construction process.
- Conducted site inspections and monitored construction progress to ensure compliance with design intent.
- Delivered technical documentation, 3D visualizations, and presentation materials while managing multiple projects.

Architect

makeAscene

03/2026 - Present

- Developed architectural drawings from Design Development through Submission and Tender stages.
- Coordinated with Interior, Structural, MEP, and owner's teams to ensure seamless project delivery.
- Produced 3D models, presentation materials, and technical documentation.

SOFTWARES

3D Model

Rhino, Sketchup

Render

Enscape, D5Render

Drawing

AutoCad, Revit

BEYOND WORK

I enjoy visiting construction sites, observing how designs are translated into reality, and learning through real-world project execution. Outside work, I enjoy traveling and exploring architecture, local culture, and new environments.
